**Application for Adoption**

*We strive to match each horse with a suitable individual/family. Adoptions are not based on a bid process or first-come, first-served. They are based on our assessment of what, in our sole discretion, is in the best interest of the animal(s). Adoptions are conducted pursuant to a humane care contract which is tailored to the needs of each individual horse, and which provides Alaska Equine Rescue with the ongoing right to monitor the well-being of the animal(s). Please use page 3 if more room is needed. Thank you.*
